REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Board of Directors
Great Pacific Securities
Costa Mesa, California

I have audited the accompanying statement of financial condition of Great Pacific Securities as of December 31, 2015 and the related statements of income, changes in stockholders' equity, and cash flows for the year then ended. These financial statements are the responsibility of Great Pacific Securities' management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit included examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Great Pacific Securities as of December 31, 2015 and the results of its operations and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The supplemental information for the year ended December 31, 2015 (Schedule I, Statement of Net Capital Under Rule 15c3-1, Schedule II, Determination of Determination of Reserve Requirements Under Rule 15c3-3 (exemption), and Schedule III, Information for Possession or Control Requirements Under Rule 15c3-3 (exemption)) has been subjected to audit procedures performed in conjunction with the audit of Great Pacific Securities' financial statements. The supplemental information is the responsibility of Great Pacific Securities' management. My audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming my opinion on supplemental information, I evaluated whether the supplemental information, including the form and content is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In my opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

This opinion is intended solely for the information and use of the board of directors, the Securities and Exchange Commission, and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

As of January 1, 2011, the Company was granted status as a Minority Business Enterprise.

The Company conducts business as an introducing and intermediary broker dealer. The Company trades exempt government securities on a principal basis and accepts equity securities on an agency basis. Trades are cleared on a fully disclosed basis through Broadcort, a Division of Merrill Lynch/Bank of America.

Summary of significant accounting policies

Trades are recorded on a trade date basis with related commissions income and expenses also recorded on a trade date basis.

Property and equipment purchases over \$1,500 individually are capitalized. Depreciation is calculated using double declining balance method over a useful life of five (5) and seven (7) years.

Cash equivalents include highly liquid investments purchased with an original maturity of three months or less. The Company maintains its cash in bank deposit accounts which at times, may exceed uninsured limits. The Company has not experienced any losses in such accounts.

Securities owned are valued at market. The resulting differences between cost and market is included in income.

The Company and its stockholders have elected S Corporation status under the federal and state tax laws. As a result, the Company is not liable for corporate income taxes and a portion of certain state income taxes. Instead, the stockholders are taxed on the Company’s taxable income in their individual income tax returns.

General

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritized the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or liability or, in the absence of a principal market, the most advantageous market for the asset or liability. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820 are used to measure fair value.

GREAT PACIFIC SECURITIES

Notes to Financial Statements December 31, 2015

Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Fair Value Measurement on a Recurring Basis As of December 31, 2015

Assets	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Cash	\$3,441,602	-	\$ 27,614	\$3,469,216

Assets of \$3,441,602 are considered as level 1 and assets of \$27,613 are considered as level 3 as of December 31, 2015.

The company is subject to taxation in the U.S. and State of California. The company does not foresee material changes to its gross uncertain income tax position liability within the next twelve months. The company is no longer subject to IRS or state examination prior to 2012.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

The firm does not have any adjustments that would have made comprehensive income different from net income.

Comprehensive Income:

The Company is engaged in various trading and brokerage activities in which counterparties primarily include broker-dealers, banks, and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk.

Management estimates that 20% of the revenues were generated in the state of California.

Board of Directors
Great Pacific Securities
Costa Mesa, California

In accordance with Rule 17a-5 (e)(4) under the Securities Exchange Act of 1934, I have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the Year Ended December 31, 2015, which were agreed to by Great Pacific Securities and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating Great Pacific Securities' compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). Great Pacific Securities' management is responsible for the Great Pacific Securities' compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, I make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures I performed and my findings are as follows:

1. Compared the listed assessment payment in Form SIPC-7 with respective cash disbursement records entries from the cash disbursements journal and related bank statements and reconciliations, noting no differences;
2. Compared the amounts reported on the audited Form X-17a-5 for the year ended December 31, 2015, as applicable with the amounts reported in Form SIPC-7 for the year ended December 31, 2015 noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, such as clearing firms records supporting securities revenues, noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers, such as revenues from third party support and bank records supporting the adjustments, noting no differences.

I was not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, I do not express such an opinion. Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.

Assertions Regarding Exemption Provisions

We, as members of management of Great Pacific Securities ("the Company"), are responsible for compliance with the annual reporting requirements under Rule 17a-5 of the Securities Exchange Act of 1934. Those requirements compel a broker or dealer to file annual reports with the Securities Exchange Commission (SEC) and the broker or dealer's designated examining authority (DEA). One of the reports to be included in the annual filing is an exemption report prepared by an independent public accountant based upon a review of assertions provided by the broker or dealer. Pursuant to that requirement, the management of the Company hereby makes the following assertions:

Identified Exemption Provision:

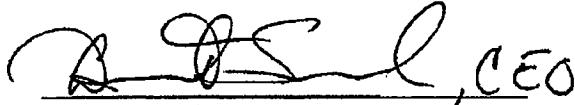

The Company claims exemption from the custody and reserve provisions of Rule 15c3-3 by operating under the exemption provided by Rule 15c3-3, Paragraph (k)(2)(ii).

Statement Regarding Meeting Exemption Provision:

The Company met the identified exemption provision without exception throughout the period ending January 1, 2015 through December 31, 2015.

**REPORT OF INDEPENDENT REGISTERED PUBLIC

Board of Directors
Great Pacific Securities
Costa Mesa, California

I have reviewed management's statements, included in the accompanying Great Pacific Securities Exemption Report in which (1) Great Pacific Securities identified the following provisions of 17 C.F.R. §15c3-3(k) under which Great Pacific Securities claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(2)(ii) (the "exemption provision") and (2) Great Pacific Securities stated that Great Pacific Securities met the identified exemption provision throughout the most recent fiscal year without exception. Great Pacific Securities' management is responsible for compliance with the exemption provision and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and accordingly, included inquiries and other required procedures to obtain evidence about Great Pacific Securities' compliance with the exemption provision. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
